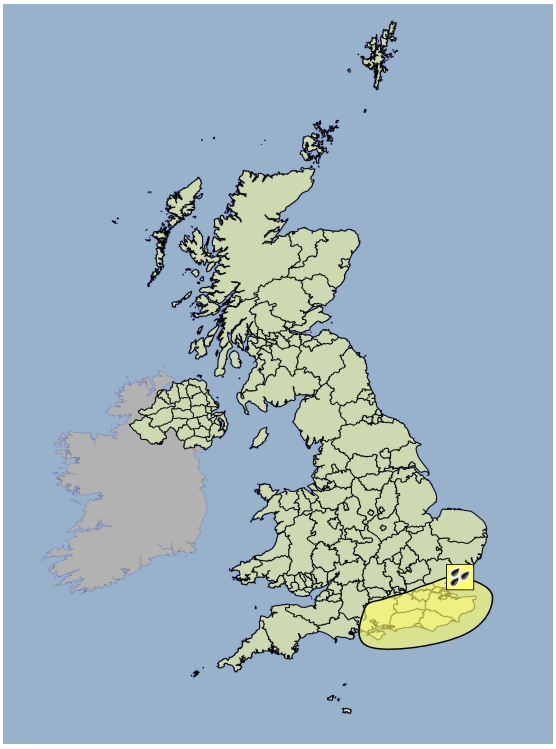
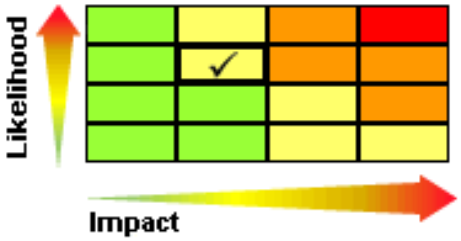
National Severe Weather Warning Service





CANCELLED

Chief Forecasters Assessment
A front will move slowly across the area on Sunday, clearing during the early hours of Monday. Rain will be heavy at times, and as cold air cuts beneath the rain-bearing cloud, it may turn to sleet or snow.

The Met Office have issued a **Yellow Alert** of **Rain**

Valid from **08:00 on Sun, 18th Jan 2015** until **03:00 on Mon, 19th Jan 2015**

A slow-moving band of rain will affect the area on Sunday, the rain turning heavy at times, potentially leading to accumulations of more than 20 mm quite widely. There is the risk that the rain could turn to sleet or settling snow, especially over hills.

The public should be aware of the risk of localised flooding.
